

IPDIMS 2021

3rd Innovative Product Design and Intelligent Manufacturing Systems

Certificate of Participation

This is to certify that Y. Phaneendra of Department of Mechanical Engineering, Vignan's Institute of Information Technology(A), Visakhapatnam, India. presented the paper titled Optimization of Process Parameters for Tribological Behaviour of AA7075+WC Metal Matrix Composite using ANOVA co-authored by B. N. Dhanunjaya Rao, R. Bammidi, Bh. Nagesh, I.N. Niranjan Kumar at the international conference on 3rd Innovative Product Design and Intelligent Manufacturing Systems (IPDIMS) during 30th & 31st December 2021, jointly organized by Department of Industrial Design and Department of Mechanical Engineering of NIT, Rourkela.

Dean (SRICCE)
NIT Rourkela

Prof. D R K Parhi
Chairman, IPDIMS'21

Prof. B B V L Deepak
Convener, IPDIMS'21
