

IPDIMS 2021

3rd Innovative Product Design and Intelligent Manufacturing Systems

Certificate of Participation

This is to certify that P H I Venkatesh of Vignan's Institute of Information Technology (A) presented the paper titled The Experimental Investigation Of Thermal Conductivity Of Aluminum Metal Matrix Composites co-authored by I. Shyam Sunder at the international conference on 3rd Innovative Product Design and Intelligent Manufacturing Systems (IPDIMS) during 30th & 31st December 2021, jointly organized by Department of Industrial Design and Department of Mechanical Engineering of NIT, Rourkela.

Dean (SRICCE)
NIT Rourkela

Prof. D R K Parhi
Chairman, IPDIMS'21

Prof. B B V L Deepak
Convener, IPDIMS'21
